New Chamber Office Hours

The Chamber has decided to close the office on Tuesday in order to open on Saturday's for the summer. In this tight economy, the Chamber feels that paying a salary for one extra day a week is not the best use of funds and Tuesday is a quiet day in the office during the summer.

Effective June 8, the hours will remain 10 a.m. to 2 p.m. but will only be open Monday, Wednesday, Thursday, Friday and Saturday.

The Great Air Race

Ron & Nancy Hawke, Associate Members of the Twain Harte Chamber, will be participating in an "Assisted Reality" TV series called The Great Air Race. It is a 10,000

mile, 15+ day, airplane adventure around the contiguous US. It starts in Macon, GA on July 6th and proceeds clockwise from GA to CA to WA to NY/ME finishing in FL/GA. 50 planes from all over the US will be participating. See www.TheGreatAirRace.com for details.

The adventure will consist of daily flying, weather permitting, afternoons of competitive events and group dinners with activities. The events include jet skis racing, go-cart racing and a kayak relay in an Olympic pool.

The finish line is a secret but is probably in Florida or Georgia on July 21st or later due to weather delays.

Ron & Nancy will first be flying

to Pittsburgh to celebrate Nancy's mom's 100th Birthday on July 1st! They will have an "official" send off from the Columbia airport during the annual Father's Day Fly-In on June 21st at about 1:30 PM. Prior to the send-off, they will be in the terminal for farewells.

One of the over night stops is, Columbia, CA where we will camp out in the airport campground on July 10th or 11th. People are welcome to come down and visit with group. However only the film crew will be allowed to have cameras. If anyone wants to join in, please call the airport manager, Jim Thomas, 533 5685 to check if weather has changed the date and time at Columbia.

The series will be broadcast on a major network within 6 months of its completion. Naturally they are sworn to secrecy about anything that would reduce the televised impact.

The goal of Daniel, the Producer, is not to produce a 16 episode series of bug eating, compromising situations but rather an interesting perspective of what General Aviation and pilots are like from a favorable

and enjoyable perspective. They share his perspective and are happy to be part of it, win, loose or draw. They feel we have already won by simply being part of it.

Good Luck Ron & Nancy

Concert & Movies in the Pines Sponsors are Needed

The Chamber enjoys all of our summer events; however, we depend on sponsorships and donations of people attending these events to pay for these events. The cost to sponsor a concert is \$50 and we read your one-liner. The cost to sponsor a movie is \$25 and we announce you as a sponsor. If you sponsor a concert and a movie, the cost is \$65.

You do not need to be a business owner to sponsor an event. You will still get a one-liner read at the Concert. Maybe surprise Happy Birthday to someone or just to let the community know you are in support of the Chamber and their events.

If you are interested, please contact the Chamber office and they will help you select a concert and/or movie.

Chamber selects scholarship recipients

The Chamber is happy to announce that we have awarded two \$500 scholarships to graduating seniors from Summerville High School.

President Becky Halvorsen attended the awards ceremony and presented scholarships to April

Sisco and Faith Gerber. April plans to attend Chico State to become a Psychologist and open a practice in Tuolumne County.

Faith will be starting at Columbia College and then transferring to a four year college to obtain a B.S. in nursing to become a flight nurse. We wish these young ladies great success in achieving the goals.
